MODULE ONE: UNDERSTANDING ABORTION CARE

Section I. Abortion in Context 6

A. An Overview of the Abortion Care Specialty..... 6
 Figure I.1 Sexual and Reproductive Health: Comparison Among Sweden, France, Canada, Great Britain, and the United States 7
 Figure I.2 Number of Abortions per 1,000 Women Aged 15–44 in 2003 7
 Figure I.3 “Aspiration” versus “Surgical”: What’s in a Name? 8
B. Basic Types of Abortion Procedures 8
 Medication Abortion 9
 Figure I.4 Abortion Method Terminology 9
 Medication Abortion Regimens..... 9
 Early Aspiration Abortion in the U.S. 10
 Figure I.5 from NAF (2008a): Comparison of FDA-Approved and Other Evidence-Based Regimens..... 11
 Efficacy and Safety of Early Abortion 11
 Figure I.6 First Trimester Abortion: A Comparison of Procedures 11
C. Who Can Provide Abortion Care?.....12
 Specialist Providers of Abortion Care 12
 Primary Care Providers of Abortion Care 12
 Summary13
 Section I References13

Section II. Advanced Practice Clinicians as Abortion Providers 16

A. APCs within the Health Care System.....16
 Figure II.1 NPs, CNMs, and PAs: Training and Clinical Roles.....17
B. APCs’ History of Providing Comprehensive Women’s Health Care, Including Abortion.....17
 Figure II.2 Studies Documenting Safety

MODULE TWO: ADVANCING SCOPE OF PRACTICE TO INCLUDE ABORTION CARE

Section III. APC Practice Regulation: Roles of Legislatures, Licensing Boards, and Professional Organizations 24

A. State Abortion Laws and APCs..... 24
 Figure III.1 State laws & regulations governing NP, CNM and PA practice: *Where to find information* 25
B. Credentialing Framework for APCs..... 26
C. General Legal and Regulatory Requirements 26
D. Understanding Scope of Practice..... 27
 Defining Scope of Practice under an Authority-Based Scheme.....28
 Defining Scope of Practice under an Evidence-Based Scheme 29
 Assessing Changes in Scope of Practice 30
E. Who Determines Scope of Practice?..... 30
 The Common Legal Framework: State Practice Acts and Licensing Boards 30
 The Role of the Professions in Defining Scope of Practice 32
F. How Individual APCs Can Participate in Scope of practice Determinations 33
 What Professional Organizations Do for Individual NPs, CNMs, and PAs..... 33
 Getting Involved with Your Professional Organization 34
 Working with State-Based Professional Associations: Benefits and Challenges 34
 Figure III.2 The Importance of Membership in Professional Organizations 36
G. Getting to Know Your Professional Community 37
 Summary 38
 Section III References 39

Section IV. Advancing Abortion into APC Scope of Practice: Evidence and Methods 40

A. Professional-Organization Position Statements on Abortion Care by APCs41

All APC professional organizations can be considered pro-choice organizations.	42
APC professional organizations support CNMs, NPs, and PAs as abortion providers.	42
Public health, physician, and specialty organizations support CNMs, NPs, and PAs as abortion providers.	43
B. Essential Elements of Professional Practice That	
Establish APCs as Qualified Providers of Abortion Care	43
Practice Philosophies by Organization.....	44
Practice and Professional Performance Standards by Organization.....	44
Practice Competencies by Organization.....	45
Codes of Ethics by Organization.....	46
C. Evidence of Education and Training in Abortion Care	48
Abortion Care Education and Clinical Training in APC Education Programs.....	48
D. Evidence of Legislative, Legal & Regulatory	
Environments: Provider Restrictions and Legal Strategies for Establishing Abortion as within APC Scope of Practice	50
State Legislative Changes	51
State Judicial Rulings	51
State Administrative Regulations	52
State Attorney General Decisions.....	52
Figure IV.1 Proactive Regulatory Strategy: Washington State Attorney General Issues Opinion Affirming Authority of ARNPs to Prescribe Medication Abortion	54
State Administrative Body Opinions and Decisions	54
Figure IV.2 When Politics Trumps Evidence	56
E. Applying the Evidence: How Professional and Licensing Boards Assess or Advance Scope of Practice	57
Nursing Models for Advancing Scope of Practice	57
PAs and the Medical Model	58
F. Strategies for Working with State APC	
Regulatory Boards	59
Figure IV.3 Getting to Know Your State's Professional Regulatory Boards.....	61
G. Case Studies: Montana, New York, Oregon, Arizona, and Alaska	61
Montana Constitutional Right to Privacy Trumps the State Legislature's PA Abortion Restriction: Then & Now	61
Resolving the Legal Ambiguities Affecting APCs in New York	63
Oregon State Board of Nursing Investigation Results in Abortion Scope of practice Opinion	64
Scope of Practice: Politics Meddling in Professional Norms in Arizona	65
Alaska Board of Nursing Affirms One NP's Scope of Practice to Include Uterine Aspiration	66
Summary	68
Section IV References	69
